

About Us

Arabian Riders and Breeders of Northwest Arkansas is a 501c(3) nonprofit organization created to promote the Arabian horse breed with an emphasis on our youth and family participation. We also more generally promote good horsemanship and horse ownership and offer affordable, high-quality horse shows that are open to all breeds and all riders, regardless of membership.

By hosting affordable, accessible local horse shows and providing educational opportunities for our youth, we help our youth members to mature, not just into accomplished riders, but into skilled horsemen and horsewomen whose growth in knowledge, skill and sportsmanship will help them to be better citizens in our community. It also allows us to showcase the wonderful attributes of the Arabian horse, while providing a fun and family-oriented venue which is open to all breeds of horses, and member and nonmember riders.

In April 2018, we successfully hosted our first rated Arabian show. This gives all of our members, but particularly our youth, an opportunity to advance their riding skills in a lower stress and more affordable venue before venturing on to higher level regional and national shows. Putting on this show would not have been possible without our many committed sponsors.

Sponsorships also help to purchase educational materials and to fund youth participation in regional and national activities, as well as a local and regional scholarship fund. In 2018, we were also able to sponsor Youth members to compete in the Arabian Horse Association Youth Team Tournament and our teams were named Regional Champions in the division for non-rated shows.

We hope you will choose to support us in 2019. We are excited to announce that we will again be hosting a rated Arabian show in Northwest Arkansas, as well as continuing to provide local, affordable, open breed shows. We will also be expanding our opportunities for our Youth members through our newly established Youth Officer Board. And, as always, we continue to look for new ways to promote and provide access to the beautiful and charismatic Arabian horse. Thank you again for your generous support of the Arabian Riders & Breeders of Northwest Arkansas.

Sincerely,

Lynn Francis

Arabian Riders & Breeders of NWA

2019 ARAB Sponsorship Form
